HIGH SCHOOL NOTES

By Burt Johnson.

Dr. Dusenbury who has charge of the sale of the Red Cross Christmas Seals in Barry county has exhausted his supply. As the high school will not be able to sell theirs about 9000 will be turned over to Dr. Dusenbury for sale elsewhere.

Your High School Notes reporter made a rather serious mistake in one statement attributed to Superintendent Galbraith. Mr. Galbraith has prepared a corrected statement which will be found elsewhere in this issue. Be sure to read it.

The high school Christmas program will be held Friday afternoon at 1:15. Visitors are welcome.

The basketball team will play the Peirce City team at Peirce City on January 5. Peirce City wanted the game and Monett accepted as she will be forced to cancel her schedule that was made at the coaches' meeting early in the month. For a time the prospects of an indoor basketball court were bright but the High School Athletic Association has been unable to secure one. Because of this only a few pick up games will be played through the season.

Miss Foster's cooking class is making Christmas candies today. They are just like the kind bought at the stores, only better. Tomorrow afternoon her sewing class will have a Christmas party with a plum pudding and everything.

The date set for the debate is January 12.

VISITS HERE

J. L. Long, who was a machinist at the round house here several years ago, was in town between trains Wednesday and visited his old friend, George J. C. Wilhelm. He was on his way home from Pittsburg, Kansas where he attended the funeral of his brother, Tom Long.

Mr. Long traces his success to the educational class of the Y. M. C. A. and to the encouragement of our local Y. M. C. A. secretary, George J. C. Wilhelm. He spoke most appreciatively of the work the Y. M. C. A. is doing for young men in their educational department.
